Respected Madam/Sir,

As you are aware, Centrally Sponsored Post Matric Scholarship Scheme for SC students is the largest Welfare Scheme of Ministry of Social Justice & Empowerment (MoSJE) whose benefits are extended to lacs of SC students. Its objective is also to improve the Gross Enrolment ratio-and thereby raising the educational status of poor SC students in the country. The Scheme is implemented in the DBT mode from FY 2021-22 onwards, in which Central share is directly paid into the accounts of the students. For proper and timely release of scholarship, strict timelines are being followed as provided in the Scheme guidelines.

It has been observed by MoSJE that the number of renewal cases are not matching up to the expectations as well as with the fresh registrations done every year.

In this regard, all universities and their affiliated/constituent colleges/institutions are requested to convene regular meetings of all the potential scholarship holders and advise them to apply for renewal immediately. Also, regular meetings should be convened under the Nodal Officers and information is shared with all concerned beneficiaries so that maximum number of students can apply. Further, all HEIs are requested to display the information regarding the scholarships on their website to make the students aware. The social media platforms of the HEI may also be used for dissemination of such information.

With kind regards,

Yours sincerely

- **The Principals of all colleges**
